

The book cover features a large, embossed decorative design. It consists of a large, stylized letter 'S' or a similar flowing shape that curves around the text. The background of the cover is a light-colored, textured material, possibly paper or fabric, with a visible grain. On the left side, there is a vertical strip of material with a series of horizontal ridges or grooves. The text 'Oasis 1955' is printed in a bold, blue, sans-serif font, centered within the lower part of the embossed design.

Oasis 1955

Foreword

Good Luck

This Oasis of 1954-1955 was published by the Senior Class of Campbell High School.

In this yearbook we have tried to record in pictures some of the most important and interesting events of the school year.

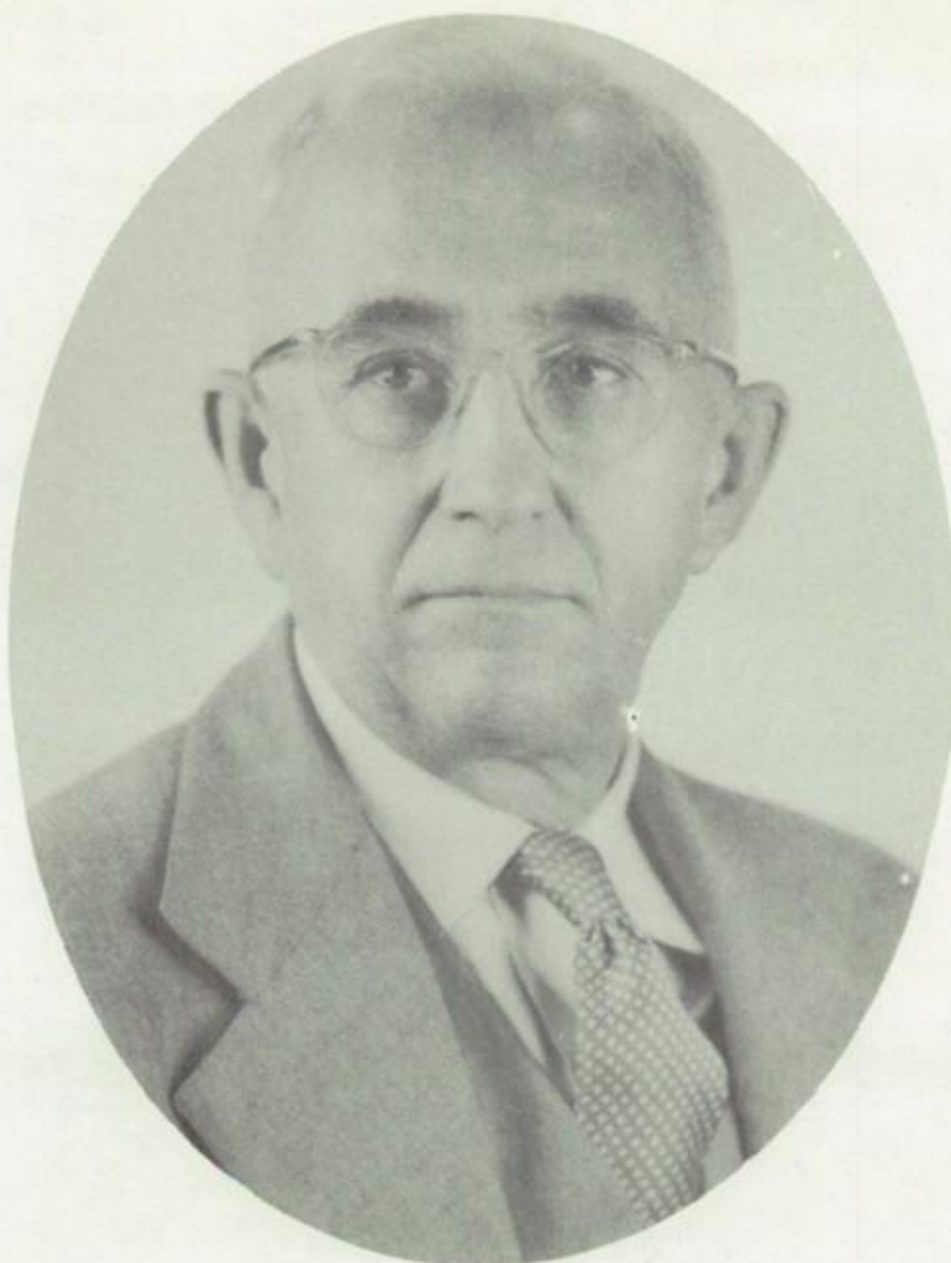

We hope that in later times, when looking through this annual, it will bring back to you clear and pleasant memories of your school year.

We wish to express our sincere gratitude to everyone who has had a part in the publishing of this Oasis.

dedication

Dedication

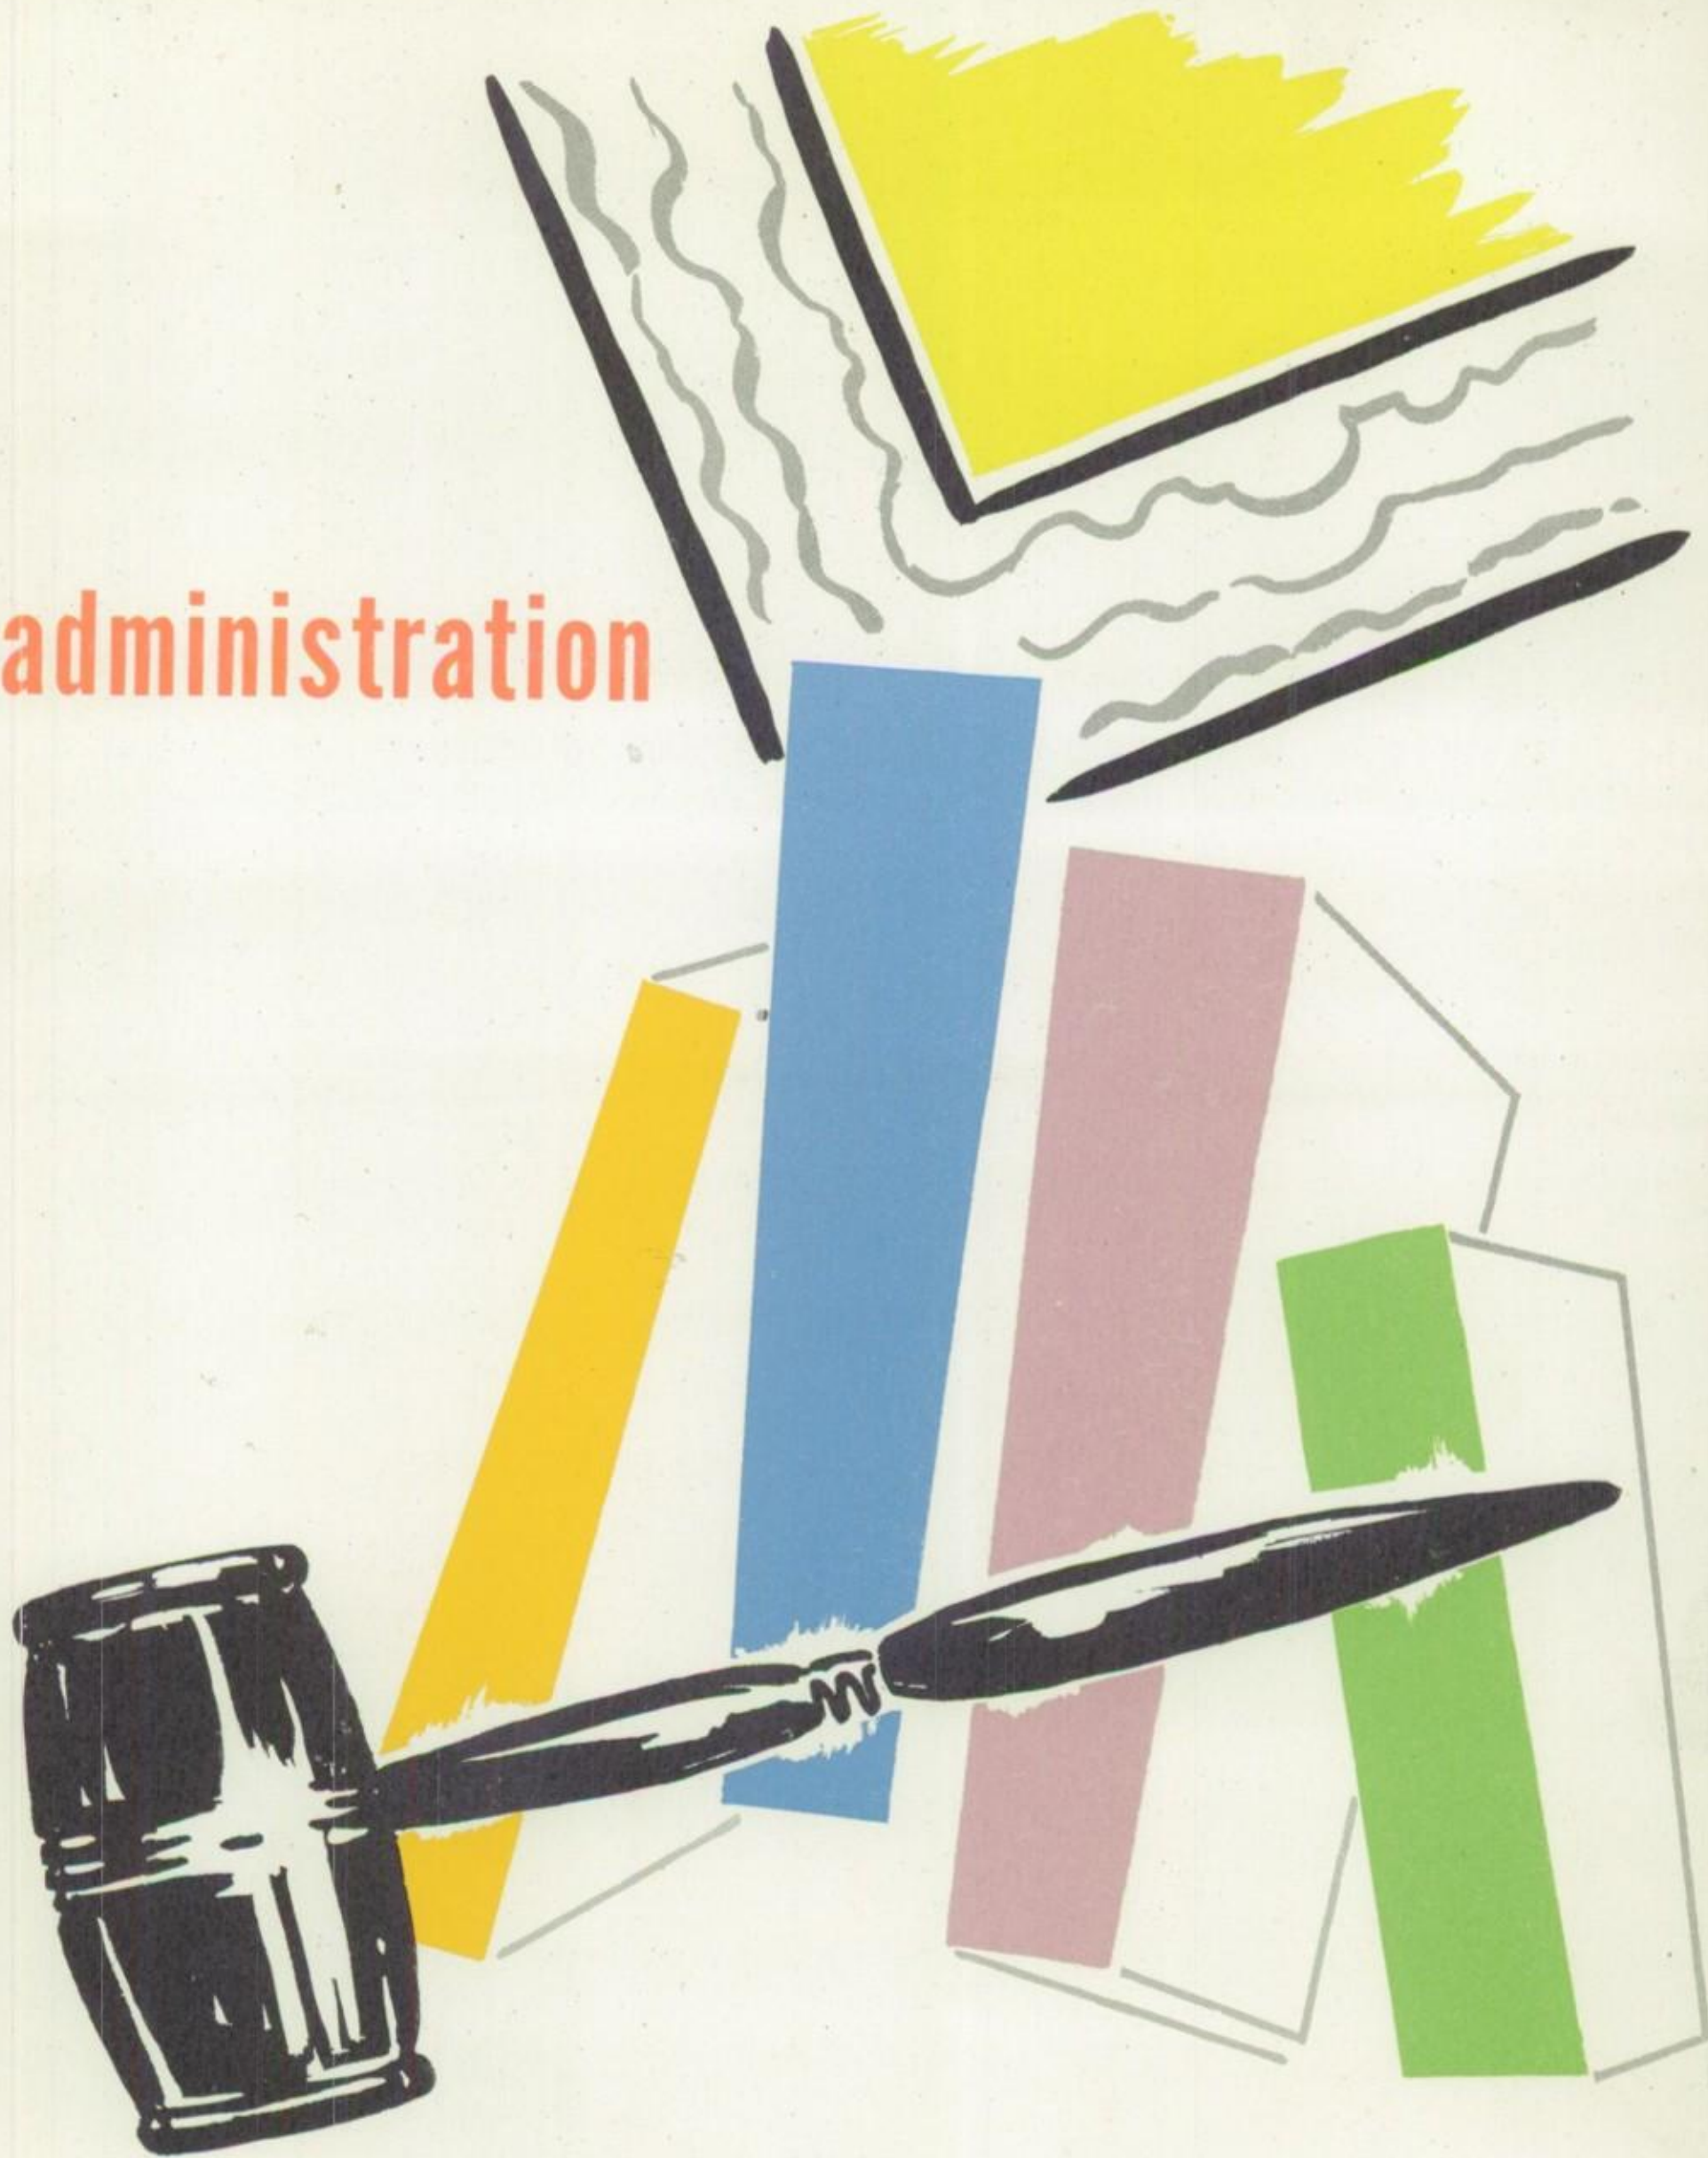

It is the unanimous wish of the Senior Class that the 1955 "Oasis" be dedicated to Mr. Seabaugh, our present principal, and faithful teacher for the past six years.

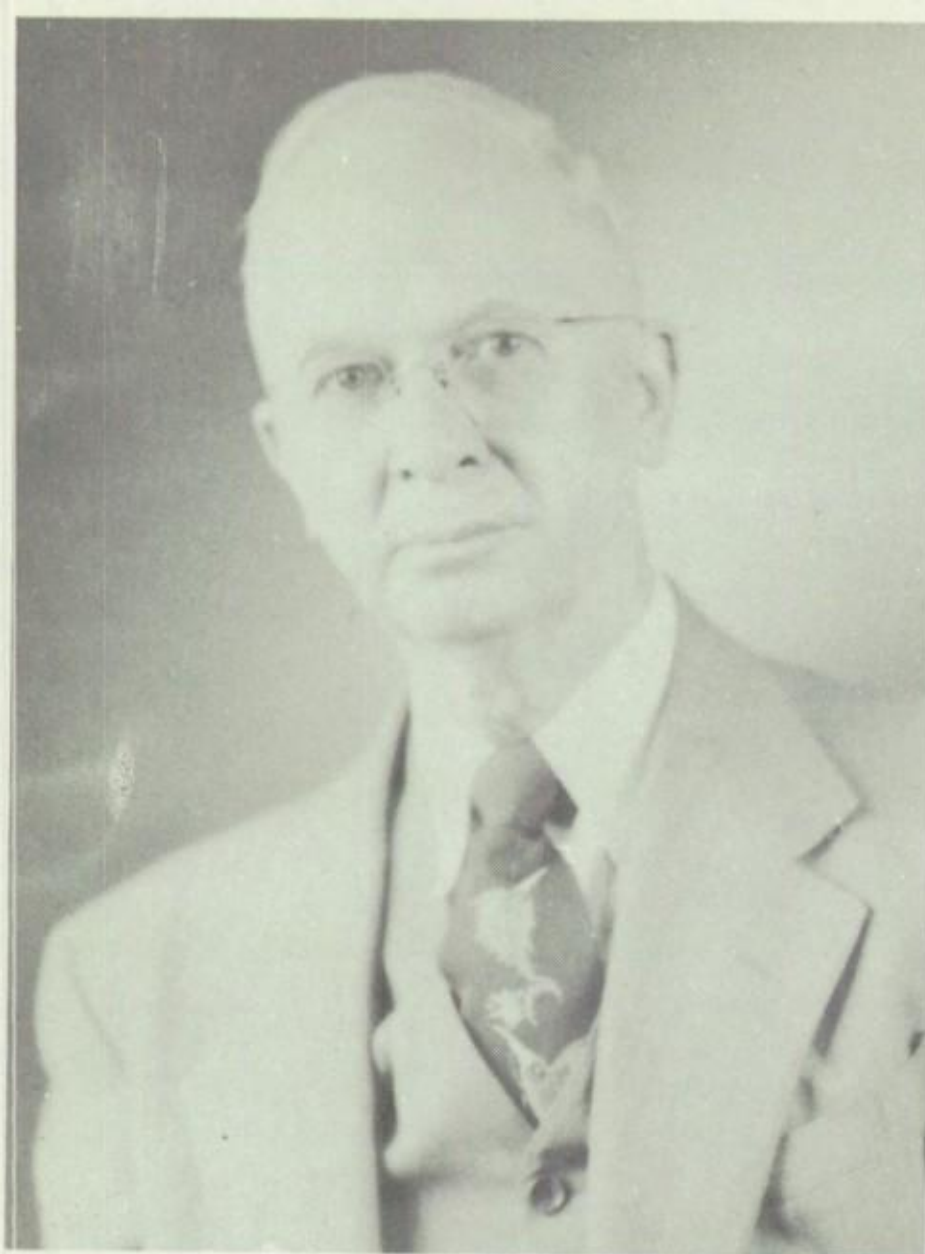

He has been a wonderful counselor, teacher, and pal to everyone. Not only has he given many a knowledge of mathematics, but also a happy outlook on the future and a word of encouragement whenever he found the opportunity.

So, to you, Mr. Seabaugh, for your patient guidance and untiring efforts toward the betterment of Campbell High School, we, the Senior Class, dedicate the 1955 edition of the "Oasis."
